

# The DP10 Series

High-Performance Dump Pumps  
Built to Outlast, Outperform, and Drop-In  
Without a Single Modification.

## ■ Downtime, backorders, or compatibility issues?

The DP10 Series is your direct-fit answer. Designed to replace **Commercial®**, **Parker®**, **Permco®**, and **Muncie®** models with zero guesswork. Built to **run cleaner, longer, and stronger** with cast iron durability and modern engineering.

Whether you're maintaining mobile equipment or building new systems, DP10 offers **plug-and-play confidence**, faster delivery, and expert support to keep your operations running without disruption.

| Feature                | What It Means                  | Why It Matters                            |
|------------------------|--------------------------------|---|
| Direct-Fit Replacement | Compatible with major brands   | Simplifies purchasing and installs faster |
| Truck-equipment rated  | Designed for mobile hydraulics | Proven in real service                    |
| Faster Lead Times      | Stocked and ready to ship      | Avoid downtime or backorders              |
| Wide Interchange       | Replaces Big Brands            | Easy Decision                             |
| Backed by Experts      | Tech support + 1-year warranty | Trusted long after installation           |

**Built for Work. Proven in the Field.**

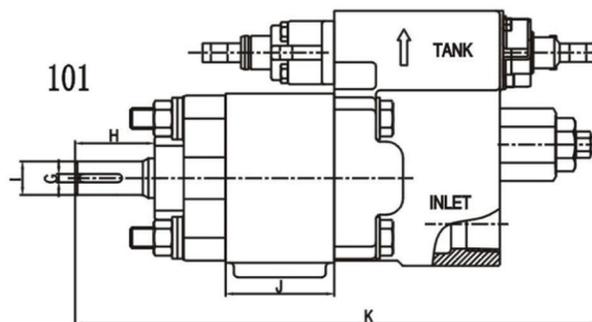

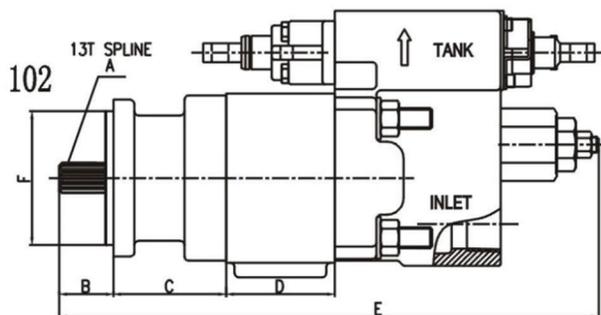

- Truck & Trailers
- Mining
- Forestry
- Construction
- Agriculture
- Marine
- Material Handling
- Mobile
