

The TM Series

High-Performance Telescopic Cylinders
Built to Outlast, Outperform and Drop-In
Without a Single Modification.

■ Downtime, backorders, or compatibility issues?

The TM Series is your direct-fit answer. Designed to replace all mainstream models with zero guesswork. Built to **run smoother, longer and stronger** with chrome plated durability and modern engineering.

Whether you're maintaining your vehicle, or building a new trailer, the TM cylinder offers plug-and-play confidence, fast delivery and expert support to keep your operations running without disruption.

Feature	What It Means	Why It Matters
Direct-Fit Replacement	Compatible with major brands	Simplifies purchasing and installs faster
Up to 2900 PSI	Handles high-pressure loads	Reliable in demanding systems
Faster Lead Times	Stocked and ready to ship	Avoid downtime or backorders
Backed by Experts	Tech support + 1-year warranty	Trusted long after installation

Telescopic Cylinders Built to Last

Demco single-acting, dual trunnion telescopic cylinders are built for trucks that lift all day, every day.
No shortcuts. No light-duty parts. No guessing.
